This list includes the main rooms found in many homes. However, do not forget other areas, such as closets, basement, attic, garage, porch/patio, work room, or shed. Be sure to document all items you have stored. Check with your insurance agent to be sure items are covered so there are no surprises. Some items may require additional coverage. Remember to store this list in a safe place away from your home. Visit www.insureUonline.org for more disaster preparedness tips.

Natural disasters can strike anywhere at any time. That is why it's important to have a room-by-room inventory of your home. A home inventory – along with photos and proof of ownership – will make it easier to file an accurate, detailed insurance claim in case your home is damaged or destroyed in a disaster.
